YOUR SPONSORSHIP IS SO IMPORTANT

Living Alternatives is reaching into the lives of women and families faced with unexpected pregnancies. We have been able to impact the lives of these people through the continued generosity and support from businesses and families like yours!

ABOUT LIVING ALTERNATIVES

We are a ministry made up of 4 locations and multiple programs, with 1 mission; to affirm the value of women, children and families through love, support, and tangible help, while guiding broken lives to Jesus.

FATHERHEART MATERNITY HOME: Fatherheart provides a safe haven for women with unplanned pregnancies. Here women experience unconditional love while making one of the biggest decisions of their life: to parent or make an adoption plan for their baby.

AFTERCARE: Many of the Fatherheart residence have nowhere to go after they have their baby. Aftercare provides them with continued housing and support as they navigate parenting, working and/or going to college.

LOVING ALTERNATIVE ADOPTION AGENCY: Our state licensed agency helps birth mothers develop an adoption plan, and choose a family that is right for their baby.

PREGNANCY RESOURCE CENTER:
Since 1982, the PRC has provided free pregnancy tests, ultrasounds, and guidance from our experienced staff of advocates and nurses.

MOBILE UNIT: Launched in the summer of 2021, and provides mobile PRC services to outlying communities in East Texas.

STAY IN TOUCH: This followup program ensures that every girl who who walks through our doors has someone to support them and walk by their side with monthly meetings and 1 on 1 support.

BUILDING BLOCKS: Through the parenting mentorship program, mentors walk alongside moms and dads, helping them be the best parents they can be for their children.

Great Expectations: Monthly childbirth education classes are provided to the mother and their partner.
